Avg. SAT: 1110

COLLEGE COUNSELING

Counselors and teachers work with students to write college application essays, and all juniors attend the National College Fair where they can meet with college admissions representatives.

COLLEGE ACCEPTANCES OF RECENT GRADUATES

University of Rochester, Rochester Institute of Technology, Ohio State University, Rensselaer Polytechnic University, Cornell University, State University of New York-Binghamton, Pace University

PSE STUDENTS' COLLEGE ACCEPTANCES

Long Island University, Plattsburg University, Syracuse University, State University of New York-Buffalo, State University of New York-Stony Brook

ATHLETICS

Fall: Cross Country, Football, Soccer, Volleyball
Winter: Basketball, Bowling, Indoor Track, Ice Hockey
Spring: Baseball, Golf, Softball, Tennis, Track & Field

Athletic eligibility for PSE students: PSE students are immediately eligible to play sports with the restriction if a student has competed on a school team previously in the U.S., then the student is ineligible to play that same sport for one year. Students facing this restriction may play other sports. Students who turn 19 prior to July 1 are no longer eligible to play sports. Athletic eligibility may change and is not guaranteed.

CLUBS

Drama Club, Chess Club, Environmental Science Club, Spirit Club, Student Council, Master Minds, American Christian Honor Society

FACILITY

Located on 15 acres, the school contains Smart Boards in every classroom, Apple TVs, iPads, computer lab, library, and gymnasium.

COMMUNITY

Rochester population 1,082,284 is consistently rated as having an outstanding quality of life by top publications. Situated along the Genesee river, Rochester is the birthplace of several major corporations, including Kodak, Bausch & Lomb and Xerox and home to renowned universities, notably the University of Rochester, Rochester Institute of Technology and Eastman School of Music.
