LEITRIM

OUR STORY

Carrigallen Vocational School, situated on the borders of Leitrim, Cavan and Longford is under the auspices of Sligo, Mayo, Leitrim ETB (Educational Training Board). The school boasts a proud tradition in Second Level education. Many of our past pupils have gone on to distinguish themselves in their varied careers. The school places great emphasis on academic achievement, student wellbeing and extracurricular activities. We have a very highly skilled and dedicated staff that offers our students their expertise in their relevant subject areas and facilitate an extensive range of extracurricular activities.

TRANSITION YEAR

Transition Year is a one-year school-based programme, designed to act as a bridge between Junior and Senior Cycle. The Transition Year programme is designed to facilitate the smooth transition from the dependent learning of the Junior Cycle to the more independent self-directed learning of the Senior Cycle. The programme offers students the space to mature and promotes increased social awareness and social competence.

SENIOR CYCLE

Subjects:

English, Mathematics, History, Geography, Biology, Agricultural Science, Business, Accounting, French, Art, Engineering, Home Economics, Religious Education, Physics, Construction Studies, Technical Drawing, Life Skills and Career Guidance
