SCHOOL MISSION

St. Joseph's Mercy Secondary School is committed to creating and maintaining an environment that is centered on teaching and learning. The school community is built on the principles of respect and care. The school looks forward with confidence and look back with pride on a distinguished history of excellence. Collectively, as a school community of staff, students, parents and Board of Management, they strive to achieve the highest standards possible in all areas of school life

HIGH SCHOOL PROGRAMME

Broad range of subjects offered, excellent education system, Garda vetted host families, professional guardianship and continuous assistance, ongoing support to the student and the agency, many different locations.

NON ACADEMIC ACTIVITIES

The school offers a broad range of extra-curricular activities and strongly encourages students to get involved in any way possible. The school staff are committed to developing other learning experiences and also healthy lifestyle choices amongst our students.

ACADEMIC PROGRAMME

JUNIOR CYCLE

Subjects:

Irish, English, French, German, Maths, History, Geography, Home Economics, Science, Art, Music, Religious Education, Social Personal and Health Education (SPHE) & Civic Social and Political Education (CSPE).

TRANSITION YEAR

Transition Year is a one-year school-based programme, designed to act as a bridge between Junior and Senior Cycle. The Transition Year programme is designed to facilitate the smooth transition from the dependent learning of the Junior Cycle to the more independent self-directed learning of the Senior Cycle. The programme offers students the space to mature and promotes increased social awareness.

SENIOR CYCLE

Subjects:

Irish, English, French, German, Maths, History, Geography, Business, Accountancy, Computer Studies, Home Economics, Biology, Physics, Chemistry, Music, Art, Physical Education & Social Personal and Health Education (SPHE).
