# SCHOOL MISSION

---

St. Mel's is a Catholic Diocesan College under a Board of Management, whose spiritual, academic, athletic and social programme is intended to enable the student to live a full, active, working life. The school's value system is based on mutual respect and courtesy along with honesty and integrity in dealings with one another. They promote an environment where each student is valued for himself, supported in developing his full potential, learns self discipline and personal responsibility and where misconduct can be reasonably seen as unacceptable. To help students to achieve their potential, St. Mel's College offers a comprehensive curriculum and a diverse range of programmes. It is their goal to provide for the needs of all the students and to help them achieve success academically, socially and personally.
